I. INTRODUCTION

The University is keen to instill in students the values of discipline and smart management of time that play such a crucial role in students' success. A great emphasis is thus placed on class attendance, and appropriate measures to minimize student absence from classes are sought. At the same time and without compromising academic standards, the University would like to maintain an environment marked by compassion and understanding for circumstances that are beyond the student's control. With these considerations in mind, the University proceeded to review the regulations that govern student attendance and excused absence from classes.

II. OBJECTIVE

The Policy aims to achieve the following goals:

- By the time the student graduates, he/she has developed a professional attitude
- On taking the final exam, the student has been given a good chance to pass.

III. PURPOSE

The Policy ensures that:

1. Information and guidelines have been provided to students, faculty, and management on factors to consider when dealing with students' attendance and absence.
2. What constitutes excused absence from curricular activities has been clearly defined.
3. Implementation of the policy by all concerned entities across all units shall be consistent.

IV. SCOPE

The Policy applies to all students.

V. DEFINITIONS

Attendance. The act of attending classes or being present in class.

Excused Absence. A privilege granted to any student to compensate for any academic deficiency during the time he/she was absent in class.

Unexcused Absence. An absence which is not considered valid and acceptable.

2. The course instructor shall keep a record of the attendance of students and issue necessary warnings.

 - 3.3 Drop one Grade and Absence Warning 3: for unexcused absence of 15% of course's contact hours
 - 3.4 Barred from the final exam: for unexcused absence of 25% of course's contact hours
4. Late attendance of students must not be tolerated. Within the first ten minutes of class and in case of an emergency, the instructor shall admit the student to the class. However, the student shall be considered absent in this case.

5. Excused Absence requiring supporting documentation is classified as follows:
- (i). Social Reasons
 - a. Death of Family Members. In case of the death of the father, mother, sister, brother, spouse, daughter, son, grandparent, uncle, aunt and first-degree cousin, the student shall be granted excuse for a maximum of three (3) days.
 - b. Official Government Attendance. A student who receives an official court summons invitation or any government order to appear shall be granted one day excused absence.
 - c. Accident/Injury. A student injured in an accident or any other serious accidents such as fire, and the like shall be excused from his/her classes. The number of days of excused absence shall depend on the doctor's advice.
 - (ii). Participation in University Activities. A student shall be excused from his/her classes if his/her participation in a university sponsored event is required, such as, participation in the *Cultural Season, National Day Activities, Conference, Seminar and Workshop Attendance, Sports Events, Site Visits and the like*. He/She shall only be excused during the day he/she participated in the event.
 - (iii). Health Reasons. A student who is unable to attend his/her classes due to illness shall be excused from their classes. The number of days of excused absence will depend on the doctor's advice.
 - (iv). Other Reasons. A student's unavoidable compelling absence for reasons other than those stated above will be verified accordingly.
6. A student applying for excused absence must present original authentic document(s) to substantiate his/her application.
 7. Supporting documents may include (but are not limited to) death certificate of family member (specified in item 5), official government attendance proof, medical certificate/report, sick leave etc.
 8. A sick leave must be certified by a health care institution and endorsed by a government health care institution. It should clearly state the nature of the illness and the period the student needs to recuperate.
 9. Any falsification of documents will be dealt with in accordance with the University disciplinary rules and regulations.

10. A student who participates in University activities shall provide an official letter, before the event, from the Assistant to the Chancellor for Student Affairs office to the Assistant Dean for Academic Affairs.
11. A student's application for excused absence must be submitted to the appropriate office within a maximum period of 3 days from the event of absence. Any application received beyond 3 days will not be accepted.
12. A student may appeal if his/her request for excused absence is not granted.
13. A student is entitled to get a written reply within a maximum of five working days of her/his request for excused absence (or appeal), stating the reasons behind not approving his application (or appeal).
14. A student is entitled to sit for a make-up exam or special classes (if necessary) upon being granted an excused absence within the framework provided in "item 15".
15. The following shall apply to a student who is granted excused absence and had missed the final or an in-semester exam.

15.1 If a student misses the final exam, then he/she must sit for a substitute exam.

15.2 If a student misses one in-semester exam (other than practical); the weight of the exam shall be redistributed to all the other assessments.

Example: If in-semester-1 has been allocated 20 marks, in-semester-2 20 marks, minor assessment (Quizzes, assignments etc.) 20 marks and final exam 40 marks, (total 100) and a student misses in-semester exam -1, and got 15 (out of 20) marks in in-semester exam-2, 31 (out of 40) marks in the final exam, and 18 (out of 20) in the minor assessment, then:

Total mark out of 80 in attended assessments = $15 + 18 + 31 = 64$

The ratio = $64/80 = 8/10 = 0.8$

Therefore, the student's total marks $0.8 \times 100 = 80$ (out of 100).

- 15.3 If a student misses more than one in-semester exam, he/she will be allowed to sit for one exam.
- 15.4 If a student misses a lab (or practical) session or presentation, he/she will have to substitute the missing activity.
- 15.5 If a student misses a minor assessment, the mark will not be counted in the calculation of the average of that minor assessment. (For example, if the course had three (3) quizzes totaling 15 % and a student missed one quiz, then the remaining two would be counted as 15% total)

16. If a student's unexcused absence is below 25% but his/her total absence reaches 25% or more of the contact hours of the course, he/she shall be required to withdraw from the course with a "W" grade.
17. R & R shall annually submit to the Vice Chancellor for Academic Affairs, statistics on students' absence.
18. Assistant Deans for Academic Affairs/Assistant Director FI shall follow up abused excused absence, and issue warnings accordingly.

It should clearly state the nature of the illness and the period the student needs to recuperate.

14. A student is entitled to sit for a make-up exam or special classes (if necessary) upon being granted an excused absence within the framework provided in "item 15".

15. The following shall apply to a student who is granted excused absence and had missed the final or in-semester exam or a quiz/minor exam.

15.1 If a student misses the final exam, then he/she must sit for a substitute exam

15.2 If a student misses one in-semester exam (other than practical); the weight of the exam shall be redistributed to all the other assessments .

10. على الطالب المشارك في أحد الأنشطة الجامعية إحضار خطاب رسمي قبل قيام الفعالية، من مكتب مساعد الرئيس لشؤون الطلاب إلى مكتب مساعد العميد للشؤون الأكاديمية / مساعد مدير معهد التأسيس.

11. يجب على الطالب تسليم طلب الغياب بعذر للمكتب المختص في غضون 3 أيام من حادثة الغياب، ولن يقبل أي طلب يصل بعد ذلك.

12. للطالب أن يستأنف قرار رفض طلب الغياب بعذر.

13. للطالب الحق في تلقي رد تحريري خلال فترة لا تزيد عن خمسة أيام عمل من تاريخ تقديم طلبه للغياب بعذر (أو الاستئناف)، ويتضمن أسباب عدم قبول طلبه (استئنافه).

14. يحق للطالب الجلوس لامتحان بديل أو حضور دروس خاصة (إذا لزم الأمر) في حالة منحه غياباً بعذر، وذلك وفقاً للبند 15 أدناه.

15. سوف يطبق الآتي على الطالب الذي يتغيب بعذر مقبول عن الامتحان النهائي أو امتحان منتصف:

15.1. إذا تغيب الطالب عن الامتحان النهائي، فيجب أن يجلس لامتحان بديل.

15.2. إذا تغيب الطالب عن امتحان منتصف واحد (امتحان غير عملي)، عندئذ يتم توزيع وزن الامتحان على جميع مكونات التقييم الأخرى.

Example: If in-semester-1 has been allocated 20 marks, in-semester-2 20 marks, minor assessment (Quizzes, assignments etc.) 20 marks and final exam 40 marks, (total 100) and a student misses in-semester exam -1, and got 15 (out of 20) marks in in-semester exam-2, 31 (out of 40) marks in the final exam, and 18 (out of 20) in the minor assessment, then:

Total mark out of 80 in attended assessments

$$= 15 + 18 + 31 = 64$$

$$\text{The ratio} = 64/80 = 8/10 = 0.8$$

Therefore, the student's total marks $0.8 \times 100 = 80$ (out of 100)

15.3 If a student misses more than one in-semester exam, he/she will be allowed to sit for one exam.

15.4 If a student misses a lab (or practical) session or presentation, he/she will have to substitute for the missing activity.

15.5 If a student missed a minor assessment, the mark will not be counted in the calculation of the average of that minor assessment. (For example, if the course had three (3) quizzes totaling 15% and a student missed one quiz, then the remaining two would be counted as 15% total).

16. If a student's unexcused absence is below 25% but his/her total absence reaches 25% or more of the contact hours of the course, he/she shall be required to withdraw from the course with a "W" grade.

مثال: إذا تم تخصيص 20 درجة لامتحان المنتصف الأول، و 20 درجة لامتحان المنتصف الثاني، و 20 درجة للتقييمات الفرعية (اختبارات قصيرة، تكليفات، الخ) و 40 درجة لامتحان النهائي، وتغيب الطالب بغير مقبول عن امتحان المنتصف الأول، وحصل على 15 درجة (من 20) في امتحان المنتصف الثاني، و 31 درجة (من 40) في الامتحان النهائي، و 18 درجة (من 20) في التقييمات الفرعية عندئذ:

مجموع درجات الطالب من 80 في التقييمات التي حضرها = $15 + 18 + 31 = 64$.
النسبة = $64/80 = 0.8$.

إذا، المجموع الكلي من 100 لدرجات الطالب = $100 \times 0.8 = 80$ (من 100).

15.3. إذا تغيب الطالب عن اثنين أو أكثر من امتحانات المنتصف، سوف يسمح له بالجلوس لامتحان منتصف واحد.

15.4. إذا تغيب الطالب عن مختبر أو درس عملي أو عرض، عندئذ لابد من تعويض ما فاتته.

15.5. إذا تغيب الطالب عن أحد العناصر غير الرئيسية للتقييم (كاختبار قصير مثلا)، فإن تحتسب الدرجة المخصصة لذلك التقييم في حساب متوسط التقييم. (على سبيل المثال، إذا كانت هناك 3 اختبارات قصيرة في المساق، بمجموع 15% من الدرجات، وتغيب الطالب عن إحدهما، فسوف يحتسب الاختباران القصيران المتبقيان بمجموع 15% من مجموع الدرجات).

16. إذا كان غياب الطالب بدون عذر أقل من 25%، غير أن غيابه الكلي قد وصل إلى 25% أو أكثر من مجموع ساعات الاتصال للمساق، فسوف يطلب منه الانسحاب من المساق بتقدير .

17. R & R shall annually submit to the Vice Chancellor for Academic Affairs, statistics on students' absence

18. Assistant Deans for Academic Affairs/Assistant Director FI shall follow up abused excused absence, and issue warnings accordingly.

III. PROCEDURE

General Procedure Guidelines:
