### المؤهلات الأكاديمية

Master of Business Administration, University of Nizwa, 2023, MBA

### أنشطة التدريس

Entrepreneurship Creativity and Innovation. This is an introductory course in Entrepreneurship, Creativity and Innovation. The course aims to expose undergraduate students of various backgrounds of business venturing and entrepreneurial activity. Students will apply their own business ideas and assess them using knowledge and skills acquired during the course. The course will provide the students the significance of entrepreneurship in Oman and also introduce them to the entrepreneurial processes in Oman from finding and evaluating good business opportunities to new venture start-ups. The course will also train the students to write up the basic Business Plan.. 2021-2024

Introduction to Marketing. This course introduces students to the business function of marketing. Students will learn how marketers deliver value in satisfying customer needs and wants; determine which target markets the organization can best serve and decide upon appropriate products, services, and programs to serve these markets. Topics include Marketing Environment, Consumer Behavior, Branding and Product Development, Pricing Strategies, Promotion and Marketing Ethics.. 2023-2024

Business Environment and Policies. This course builds on knowledge gained in Introduction to Marketing Principles and Introduction to Business. It expands on issues related to business within different levels and areas of business environment and managerial policies. It also gives students general knowledge about business environment and firms' behavior that approves itself through
