

Dr.Said Saif Salem AL Maawali

Assistant Professor - Assistant Dean for training and Community Services

Civil & Environmental Engineering

College of Engineering and Architecture

University of Nizwa, Sultanate of Oman

Telephone: (+968)25446604

Extension: 604

eMail: salmaawali@unizwa.edu.om

Office Location: 5D029 ..

Time at UoN: Since 2019

Marital Status: ..

Academic Qualifications

PHD, University Science Malaysia, 2014, Prediction of Basic wind speed for Oman

Master of Science , University Science Malaysia , 2007, Determination of Basic wind speed to design buildings in Oman

Bsc, King Saud University , 1990, Design of multistory building

Teaching Activities

Advanced Concrete Technology , This course for Master degree in structural engineering discusses the technology of concrete, its properties, tests, high performance concrete, etc, Spring 2020

Special topics in structural Engineering, This course for master in structural engineering discusses some topics such wind engineering, bridge engineering, rehabilitation of structures, contract management and procurement pathways. , Fall 2020

Statics, This course is a basic course for civil engineering students to enter the world of structural design. It discusses forces and reactions on different structures , trusses and geometric properties., Fall 2019, Spring 2020, Fall 2020

Research Activities

..
