

Dr. Ahmed Abdul Rahim Ali Abusham

Associate Professor and Assistant Dean for Training

School of Pharmacy...

College of Health Sciences

University of Nizwa, Sultanate of Oman

Telephone: (+968)432

Extension: 432

eMail: abusham@unizwa.edu.om

Office Location: 33-26...

Time at UoN: Since 2011

•Qualification (Degree of University)

PhD., Clinical Pharmacy, Omdurman University (Sudan)

MSc Clinical Pharmacy, University of Derby (UK).

PGDip Clinical Pharmacy, Queens University (UK)

Areas of Specialization - teaching

Teaching Advanced pharmacy practice and therapeutics to undergraduate and graduate pharmacy students and 6th year medical students.

Research interest

Researcher and reviewer in clinical pharmacy practice teaching/learning, infectious diseases, oncology and haematology therapeutics.

Awards

The 3rd prize winner for the oral competition at the first International conference for "Pharmacy Education in the Era of Globalization". University of Nizwa, Oman. Jan 25, 2012

Certificate of appreciation conferred by the Acting Hospital Director, Sultan Qaboos University Hospital, OMAN. June 2006

Letter of Thanks for outstanding performance in pharmacy service conferred by HE the Chancellor, Sultan Qaboos University, OMAN. February 13, 2001.

Award certificate for recognition of outstanding poster presentation in: SQU Research Day , OMAN. February 26, 2001.

Academic Qualifications

PhD, Omdurman University, 2010

MSc, Derby University (UK) , 2001

Teaching Activities

Pharmacotherapy III, This course discusses the disease related aspects and the management of major infectious diseases, haematological disorders and malignancies The course focuses on the epidemiology, pathophysiology, etiology, clinical manifestations, pharmacological and non-pharmacological management, patient monitoring and education associated with the mentioned diseases., 3 CH

Advanced Clinical Chemistry, This course covers the fundamentals of laboratory medicine and its importance in screening, diagnosis and interpretation of patient`s clinical data relevant to pharmacological management of diseases. It describes biochemistry, haematology and microbiology laboratory investigations, their significance and application., 2 CH

Advanced Pharmacy Practice, The course is an advanced course in continuation to pharmacy practice I and practice II courses. This course includes advanced scenarios on patient management where student acquires skills to make informed pharmacotherapy

decision that is patient focused, evidence based, cost effective and clinically sound, 2 CH

Research Activities

- Research Interests

My research targets Pharmacy Education as well as patient care aspects in relation to infections, susceptibility testing, antimicrobial stewardship, antimicrobial resistance and rational use of antimicrobials. I also, research haematology focusing on therapeutics of haemoglobinopathies e.g. sickle cell disease and thalassaemia. I am Also interested in pharmacy education research.

Faculty Administrative Experience

2017 - Present: Assistant Dean for Training - UoN

Ministry of health hospitals training, Industry training and TRC training

Membership in Professional Bodies

2019-Present: 2018- present: member, The American College of Clinical Pharmacy (ACCP)

2011- Present: Member/Chairperson in 17 committees at University of Nizwa. 2000- 2007:

Member in 6 committees at university of Sultan Qaboos University.

Award and Recognitions

2012 Prize: 3rd prize for oral competition: First International conference. Pharmacy education in the era of globalization. University of Nizwa. January 25-26, 2012.

2005 Certificate of appreciation for the contribution in establishing an internationally recognized pharmacy services conferred by Chief Pharmacist. Pharmacy Department, SQUH, OMAN. May 2005.

2001 Award certificate for recognition of outstanding research poster presentation in: SQU Research Day, OMAN. February 26, 2001.

2001 Award Certificate for outstanding performance in pharmacy service conferred by HE The Chancellor, Sultan Qaboos University, OMAN. February 13, 2001.
