

Mr. Ravindra R Dharamshi

Lecturer

Mathematical and Physical Sciences - Computer Sciences Section

College of Arts and Sciences

University of Nizwa, Sultanate of Oman

Telephone: (+968)25446200

Extension: 544

eMail: ravindra@unizwa.edu.om

Office Location: 11i-12

Time at UoN: Since 2013

Received an M.Sc. degree in Computer Science from the University of Vinayaka Missions, India in 2005, and a B.Sc. degree in Computer Science from the University of North Maharashtra, India in 1996. His research interests are Interactive Program Development, DBMS and Web Technology.

Academic Qualifications

Master in Computer Science, Vinayaka Missions, INDIA, 2005

Teaching Activities

COMP101 - Computer Skills , Identify theories of Numbering systems, Computers Hardware, Data Communications, Networks, Internet and Systems and Application software.

Experiment with HTML and MS-Access Languages., 2013- Till Date

COMP230-Internet Technology - , Explore, Create and Design dynamic web development project with using various internet applications. Greatly enhance web site developers skills., 2013-Till Date

COMP240, Multimedia System Design - A Multimedia System is a system capable of processing multimedia data and applications. A distributed interactive system, Current and emerging technologies, Design and implement a multimedia system., 2013 - till date

COMP300, Visual Programming - Graphical Programming Application Environment, Create programs with visual expressions elements., 2013-till date

COMP375 - Advanced Database Development Using Oracle., Oracle environment systems focusing on applications and theory of operations. Create and Integrated database and manage various structures in an efficient manner., 2013 - Till Date

COMP355 - Fundamentals of Operating Systems, Analyze the process of operating systems, Development of Operating Systems, Processes, Threads, CPU scheduling, Deadlocks, Memory Management., 2016-Till Date

COMP388 - Computer Graphics, Experiment interact C++ with OpenGL and construct graphics objects with OpenGL language., 2013- Till Date

Research Activities

- Research Interests

E-learning - Interactive & Development

Virtual Multimedia Development

- Publications

Conference or Workshop:

1. 2010 Technique of multimedia in creation of various digital applications., First Joint Scientific Conference of the Colleges of Applied Sciences in the Sultanate of Oman
