- Research Interests

Educational ICT

My university and other tertiary level positions have involved me in the design of curricula at BA, MA and postgraduate levels. This has been coupled with a ten-year experience in designing Internet Assisted Language Learning tools and other internet applications. I have experience in the following areas: -Designing and implementing Web 2.0 language learning applications. - Designing and delivering educational ICT sessions at all levels of tertiary instruction. - Designing EAP curricula, and coordinating the work of faculty staff. - Delivering specialized training in ESP contexts. - Heading and implementing projects financed by EU.
